Fast, clean installation

Lower environmental impact  
Excellent value  
A range of colours and finishes available  
Cost effective

## CONFIGURE, ADAPT, RE-PURPOSE & EXPAND

**AUTOPOLE** is a telescopic, tension mounted, freestanding pole, secured with a simple lever movement. The system's fundamental characteristic is the speed with which it can be assembled without the need for tools. Autopole is available in clear painted natural finish aluminum and black as standard. Also available in clear painted steel for a raw, sophisticated aesthetic.

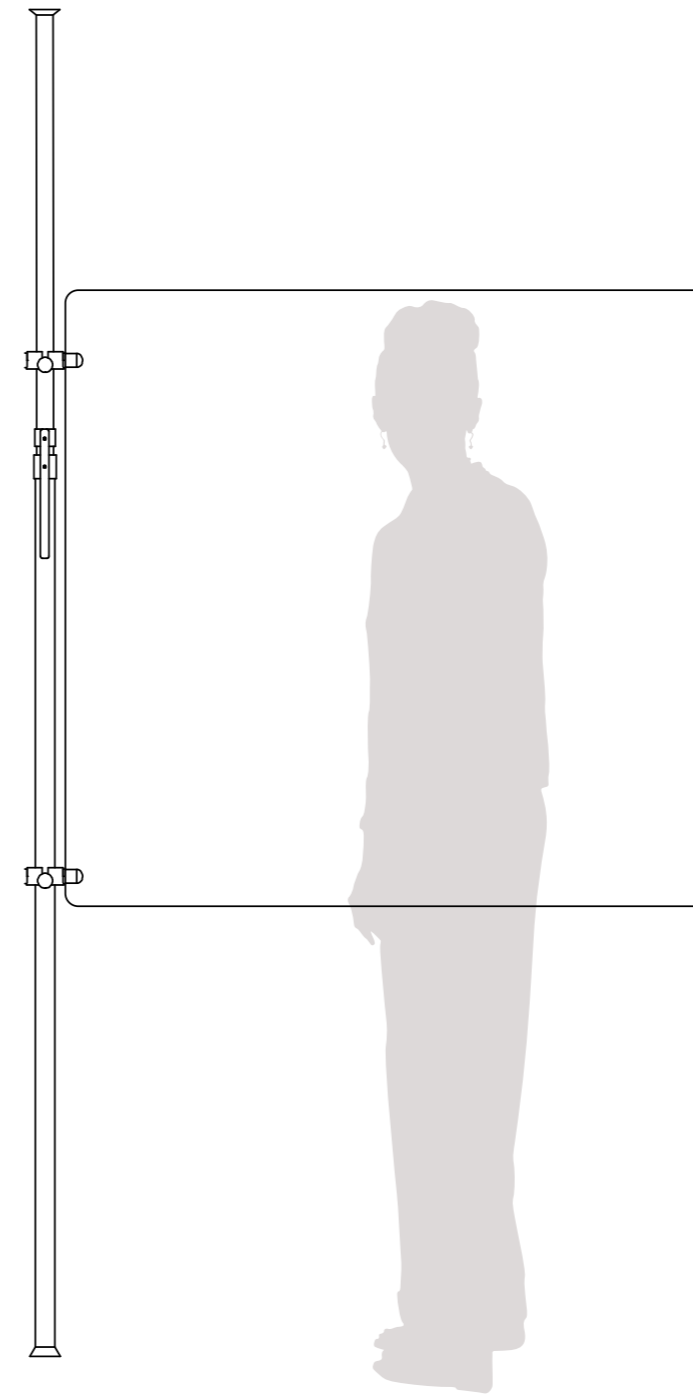

Enquire about custom colours.
